

FGCU Daveler & Kauanui School of Entrepreneurship — AI Registration Advisor Knowledge Base

Catalog Year: 2025-2026 | Source: fgcu.edu/school-of-entrepreneurship | catalog.fgcu.edu

1. ABOUT DKSOE

The Daveler & Kauanui School of Entrepreneurship (DKSOE) at Florida Gulf Coast University (FGCU) is housed in Lucas Hall in Fort Myers, Florida. It offers: BS in Entrepreneurship (120 credits), Entrepreneurship Minor (15 credits), MS in Entrepreneurship (graduate), and a BA in Digital Media Design. Average class size: 24 students. Entrepreneurship is the 6th largest major at FGCU. The curriculum is grounded in Lean Startup methodologies and project-based, experiential learning.

2. BS IN ENTREPRENEURSHIP

Full Program Name: Bachelor of Science in Entrepreneurship

Degree Type: B.S.

College: Daveler & Kauanui School of Entrepreneurship

Total Credits Required: 120

Catalog Year: 2025-2026

Accreditation: SACSCOC

Website: <https://www.fgcu.edu/school-of-entrepreneurship/entrepreneurship-bs>

Pre-Admission Steps

- Submit an FGCU Undergraduate Admission Application and satisfy all university admission requirements.
- Attend an Eagle View Orientation session.
- Sign an Advising Agreement document.
- NOTE: The Entrepreneurship Minor CANNOT be declared alongside this major.

2A. COMMON PREREQUISITES

A minimum grade of C is required in each. May be satisfied via AP, IB, CLEP, AICE, dual enrollment, placement exam, or prior college coursework.

ECONOMICS (choose one):

- ECO 1000 Survey of Economics (3 cr)
- ECO 2013 Principles of Macroeconomics (3 cr) [also satisfies Gen Ed Social Sciences State Core]
- ECO 2023 Principles of Microeconomics (3 cr)

Transfer substitutes: ECOX023, ECOX013, ECOX000

STATISTICS:

- STA 2023 Statistical Methods (3 cr) [also satisfies Gen Ed Mathematics State Core]

Transfer substitutes: STAX023, STAX122, QMBX100

MATH (*asterisked - requires prior knowledge, choose one):

- MAC 1105 College Algebra (3 cr) — requires MAT 1033 Intermediate Algebra (C) OR accelerated credit OR placement exam

- MAC 2233 Elementary Calculus I (3 cr)

- MGF 1106 Finite Mathematics (3 cr)

- MGF 1130 Thinking Mathematically (3 cr)

Transfer substitutes: MACX233, MACX105, MGFX106, MGFX130

INTRO TO ENTREPRENEURSHIP:

- ENT 2000 Intro to Entrepreneurship (3 cr) [gateway course for the major]

Transfer substitute: ENT X000

2B. REQUIRED COURSES IN THE MAJOR (30 credits)

A minimum grade of C is required in each of these 10 courses:

1. ENT 3004 — Entrepreneurship & Creativity (3 cr)
2. ENT 3114 — New Venture Laboratory [Capstone] (3 cr)
3. ENT 3121 — Entrepreneurial Mindset (3 cr)
4. ENT 3204 — Scaling Ventures (3 cr)
5. ENT 3273 — Foundational Startup Skills (3 cr)
6. ENT 3414 — Innovative Decision Making (3 cr)
7. ENT 3422 — Venture Funding (3 cr)
8. ENT 3607 — Innovation by Design (3 cr)
9. ENT 3618 — Digital Technologies (3 cr)
10. SPC 2023 Public Speaking OR SPC 1608 Effective Speaking (3 cr)

2C. RESTRICTED ELECTIVES IN THE MAJOR (9 credits)

Students must complete 9 credits (typically 3 courses) from this list. Min. grade C required.

- ENT 3243 — Promoting New Ventures (3 cr)
- ENT 3402 — Blockchain Applications (3 cr)
- ENT 3503 — Social Entrepreneurship (3 cr) [also satisfies SCGR sustainability requirement]
- ENT 3603 — Visual Software Development (3 cr)
- ENT 4205 — Founder's Dilemmas (3 cr)
- ENT 4305 — Legal Strategies in Startups (3 cr)
- ENT 4901 — Independent Study (3 cr)
- ENT 4902 — Runway Program Seminar (3 cr)
- ENT 4934 — Special Topics (3 cr)

- ENT 4943 — Internship (1-6 cr)

ADVISING TIP: ENT 4943 Internship offers variable credit (1-6). If used for restricted elective, pair with other electives to reach 9 total credits.

ADVISING TIP: ENT 3503 Social Entrepreneurship carries the SCGR sustainability attribute — selecting it satisfies BOTH the elective requirement AND the sustainability graduation requirement.

2D. SUSTAINABILITY COURSE GRADUATION REQUIREMENT (3 credits)

Students must complete at least 3 credits with the SCGR (Sustainability Course Graduation Requirement) attribute, minimum grade C.

ENT course with SCGR attribute: ENT 3503 Social Entrepreneurship (3 credits).

FLAG: The catalog does not list all SCGR-tagged courses. Students seeking a non-ENT sustainability course should use the Course Schedule Search filtered by the SCGR attribute, or consult an advisor.

2E. GRADUATION REQUIREMENTS SUMMARY

In addition to major coursework, BS in Entrepreneurship students must meet ALL of the following:

- MINIMUM TOTAL CREDITS: 120 semester hours
- GPA: Cumulative 2.0 or higher for all coursework attempted at FGCU
- UPPER-DIVISION HOURS: Minimum 48 of 120 credits at 3000-4999 level
- RESIDENCY REQUIREMENT: At least 30 of the last 60 credits completed at FGCU; at least 25% of total coursework earned at FGCU
- SERVICE-LEARNING: 80 hours (FTIC/first-year); 40 hours (upper-level transfers)
- CIVIC LITERACY: Must demonstrate competency per cohort requirements (see Section 6B)
- COLLEGE-LEVEL SKILLS (WRITING): 12 semester hours of GRWR or CLWS attribute courses, min. grade C
- FOREIGN LANGUAGE: Must satisfy Florida foreign language admission requirement
- SUSTAINABILITY: At least 3 credit hours with SCGR attribute, min. grade C
- SUMMER ENROLLMENT: Students entering with <60 transfer hours must earn 9+ hours during summer term(s)
- APPLICATION FOR GRADUATION: Must be submitted by deadline in FGCU Academic Calendar
- GENERAL EDUCATION: Must complete the FGCU General Education Program (~36 hours)

3. ENTREPRENEURSHIP MINOR

Total Credits: 15 semester hours | Catalog Year: 2025-2026

Eligibility

Open to all FGCU undergraduate students EXCEPT:

- B.S. in Entrepreneurship majors
- B.S. in Management majors pursuing Entrepreneurship concentration (catalog years 2013/2014 and prior)

Students must meet with a college advisor/student success counselor to declare the minor.

Additional Requirements for the Minor

- Grade of C or higher required in ALL courses.
- Minimum 12 credits of the minor must be completed at FGCU.
- Minimum 9 credits must be upper division (3000-4999 level).
- To certify minor on transcript: note it on the Application for Graduation and contact an advisor.

3A. Foundation Course — Choose ONE (3 credits)

- ENT 2000 Intro to Entrepreneurship (3 cr)
- MAN 3025 Principles of Management (3 cr)

3B. Three Required Core Courses — ALL required (9 credits)

- ENT 3004 Entrepreneurship & Creativity (3 cr)
- ENT 3114 New Venture Laboratory (3 cr)
- ENT 3204 Scaling Ventures (3 cr)

3C. Upper-Division Elective — Choose ONE (3 credits)

- ENT 3121 Entrepreneurial Mindset (3 cr)
- ENT 3243 Promoting New Ventures (3 cr)
- ENT 3273 Foundational Startup Skills (3 cr)
- ENT 3402 Blockchain Applications (3 cr)
- ENT 3414 Innovative Decision Making (3 cr)
- ENT 3422 Venture Funding (3 cr)
- ENT 3503 Social Entrepreneurship (3 cr) [also satisfies SCGR sustainability requirement]
- ENT 3607 Innovation by Design (3 cr)
- ENT 3618 Digital Technologies (3 cr)
- ENT 4205 Founder's Dilemmas (3 cr)
- ENT 4305 Legal Strategies in Startups (3 cr)
- ENT 4901 Independent Study (3 cr)
- ENT 4902 Runway Program Seminar (3 cr)
- ENT 4943 Internship (1-6 cr)

Note: Other upper-division courses with an entrepreneurship focus may count — see an advisor.

4. ENT COURSE CATALOG — FULL DESCRIPTIONS

All undergraduate ENT-prefix courses (2025-2026). Minimum grade of C required for major/minor credit.

ENT 2000 — Intro to Entrepreneurship

Credits: 3 | Level: Lower Division (2000-level)

Description: Includes individual components of entrepreneurship and its implications for society. Special emphasis is placed on decision-making and problem solving in society through an understanding of opportunity recognition, economic/financial models, value creation, and basic entrepreneur-related concepts.

Prerequisites: None.

Course Attributes: COBC (College of Business Course), CRIT (GE Critical Thinking Competency), GESO (Gen Ed – Social Science), SCIQ (Scientific Inquiry)

Role: Common prerequisite for the BS; foundation course option for the Minor. Gateway course — take this early. Also satisfies Gen Ed Social Sciences university requirement (GESO).

ENT 3004 — Entrepreneurship & Creativity

Credits: 3 | Level: Upper Division

Description: This course focuses on the skill of creativity and broadening one's curiosity — skills that can be applied in any life context. Students learn opportunity recognition and gain confidence in exploring unfamiliar courses of action.

Prerequisites: MAN 3025 (may be taken concurrently) OR ENT 2000 (may be taken concurrently)

Role: Required for BS (major required); required for Minor (core). Most foundational upper-division course — prerequisite for many other upper-division ENT courses. Take it as early as possible.

ENT 3114 — New Venture Laboratory (Capstone)

Credits: 3 | Level: Upper Division

Description: This course guides students through identifying real-world problems, validating ideas through customer discovery, and refining solutions. Students develop growth strategies, pricing models, and feasibility reports while deciding whether to persevere or pivot their ventures.

Prerequisites: ENT 3004

Course Attributes: CLWS (College-Level Writing Skills — counts toward 12-credit writing requirement)

Role: Required for BS (designated capstone); required for Minor (core). Satisfies 3 of the 12-credit College-Level Writing Skills requirement.

ENT 3121 — Entrepreneurial Mindset

Credits: 3 | Level: Upper Division

Description: This course examines a wide range of individual differences that are associated with an entrepreneurial mindset. Topics such as passion, confidence, and professionalism are discussed in the context of career development beyond starting a new venture.

Prerequisites: ENT 2000 (may be taken concurrently)

Role: Required for BS (major required course); elective option for Minor.

ENT 3204 — Scaling Ventures

Credits: 3 | Level: Upper Division

Description: This course examines the strategic, operational, and financial issues confronting ventures from a variety of disciplines as they grow and gain traction.

Prerequisites: ENT 3114

Course Attributes: CLWS (College-Level Writing Skills)

Role: Required for BS (major required); required for Minor (core). Satisfies 3 of the 12-credit College-Level Writing Skills requirement.

ENT 3243 — Promoting New Ventures

Credits: 3 | Level: Upper Division

Description: Providing a unique context through which parts of the entrepreneurial process can be understood and practiced. Skills such as improvisation, storytelling, and organization help students communicate a vision and attract resources when making a pitch for seed funding.

Prerequisites: ENT 2000 (may be taken concurrently) AND (SPC 2023 OR SPC 1608)

Role: Restricted elective for BS; elective option for Minor.

ENT 3273 — Foundational Startup Skills

Credits: 3 | Level: Upper Division

Description: New ventures require founders to create organizational structure around administrative and record-keeping tasks. This course will teach students how to correctly establish a new venture and leverage data to make more informed decisions.

Prerequisites: ENT 2000 (may be taken concurrently)

Role: Required for BS (major required course); elective option for Minor.

ENT 3402 — Blockchain Applications

Credits: 3 | Level: Upper Division

Description: This course explores the foundations of cryptocurrencies, NFTs, and Blockchain technology, with a focus on entrepreneurial opportunities in web3.

Prerequisites: ENC 1102 (English Composition II)

Note: Unlike most upper-division ENT courses, the prerequisite is ENC 1102, not an ENT course. Accessible to non-ENT students pursuing the minor earlier in their studies.

Role: Restricted elective for BS; elective option for Minor.

ENT 3414 — Innovative Decision Making

Credits: 3 | Level: Upper Division

Description: Entrepreneurs need data to navigate through uncertain, ambiguous, and interdisciplinary environments. In this course, students will learn to improve their decision-making skills through gathering, interpreting, and manipulating data.

Prerequisites: ENT 3114

Role: Required for BS (major required course); elective option for Minor.

ENT 3422 — Venture Funding

Credits: 3 | Level: Upper Division

Description: This course concentrates on developing knowledge of capital management in early-stage ventures, with a focus on financial capital: both equity and debt. Investor motives and behaviors are critical components of the course, especially as they relate to establishing contractual relationships.

Prerequisites: ENT 3004

Role: Required for BS (major required course); elective option for Minor.

ENT 3503 — Social Entrepreneurship

Credits: 3 | Level: Upper Division

Description: This course overviews the application of entrepreneurship to drive social change and the creation of sustainable solutions to societal challenges. Students will explore the interconnectedness of economy, society, and the environment, and apply design thinking to real-world problems.

Prerequisites: None listed in catalog.

Course Attributes: SCGR (Sustainability Course Graduation Requirement)

Role: Restricted elective for BS; elective option for Minor. IMPORTANT: Carries SCGR attribute — satisfies BOTH the restricted elective requirement AND the sustainability graduation requirement simultaneously.

ENT 3603 — Visual Software Development

Credits: 3 | Level: Upper Division

Description: Building software visually, with no coding experience, opens a world of opportunity for entrepreneurs. The course topics include how to use low-code tools to develop mobile and desktop applications. Software for automating common organizational routines will also be explored.

Prerequisites: ENT 3004

Role: Restricted elective for BS; elective option for Minor.

ENT 3607 — Innovation by Design

Credits: 3 | Level: Upper Division

Description: Students use design thinking principles to develop physical, digital, and service innovations. Students will learn to communicate confidently and knowledgeably with engineers, manufacturers, or other related stakeholders.

Prerequisites: ENT 2000

Role: Required for BS (major required course); elective option for Minor.

ENT 3618 — Digital Technologies

Credits: 3 | Level: Upper Division

Description: The primary focus of this course is to develop students' technology skills. It is accessible for everyone, yet offers skillful students many opportunities for further growth.

This course also broadly examines the role of digital technologies in society.

Prerequisites: ENT 3004

Role: Required for BS (major required course); elective option for Minor.

ENT 4205 — Founder's Dilemmas

Credits: 3 | Level: Upper Division

Description: This course delves into the consequential early choices entrepreneurs make that shape their ventures' trajectories. Students develop practical frameworks for navigating these dilemmas while balancing personal aspirations with venture requirements, enabling them to make more informed choices in their entrepreneurial journeys.

Prerequisites: ENT 3004

Role: Restricted elective for BS; elective option for Minor.

ENT 4305 — Legal Strategies in Startups

Credits: 3 | Level: Upper Division

Description: The legal environment for entrepreneurs is covered in significant detail. Topics include protecting intellectual property, contract development, and handling disputes. This course also examines issues beyond the legal system that could be better analyzed with an ethical framework.

Prerequisites: ENT 2000

Role: Restricted elective for BS; elective option for Minor.

ENT 4901 — Independent Study

Credits: 3 | Level: Upper Division

Description: Individual study and research with faculty direction and supervision.

Prerequisites: ENT 3004

Note: Requires faculty agreement and coordination. Students should initiate conversations with a professor well in advance.

Role: Restricted elective for BS; elective option for Minor.

ENT 4902 — Runway Program Seminar

Credits: 3 | Level: Upper Division

Description: This self-directed course requires students to create a launch plan for a new product or service idea. Small group instruction and mentorship is provided; however, students are expected to demonstrate disciplined progress towards their goals.

Prerequisites: None listed in catalog.

Note: Connected to the Runway Program incubator in Lucas Hall. Confirm with advisor whether Runway Program participation is a practical co-requisite.

Role: Restricted elective for BS; elective option for Minor.

ENT 4934 — Special Topics

Credits: 3 | Level: Upper Division

Description: Courses centering around topics of current interest or of special interest to students.

Prerequisites: ENT 2000

Note: Content varies by semester. Check current course schedule for the specific topic being offered.

Role: Restricted elective for BS.

ENT 4943 — Internship

Credits: 1-6 (variable) | Level: Upper Division

Description: Students work in professional settings relevant to the discipline, connecting academic training with professional practice. Students are required to set professional goals, document their internship, and produce a written account of their experience.

Prerequisites: ENT 3004

Note: Variable credit (1-6). When used as a restricted elective, students may need to pair it with other restricted electives to reach the 9-credit total.

Role: Restricted elective for BS; elective option for Minor.

5. GENERAL EDUCATION PROGRAM

Source: <https://www.fgcu.edu/academics/generaleducation/> | Catalog Year: 2025-2026 (valid through Summer 2026)

The FGCU General Education Program requires approximately 36 hours of coursework. A minimum grade of C is required in all Communication, Mathematics, and State Core subject areas.

Communication (6-9 credits)

State Core (required): ENC 1101 Composition I (min. grade C)

University (required): ENC 1102 Composition II (min. grade C)

Up to 3 additional GECCO credits may be applied.

Mathematics (6 credits)

State Core (choose one, min. grade C): MAC 1105 College Algebra, MAC 2311 Calculus I, MGF 1130 Thinking Mathematically, STA 2023 Statistical Methods

University: STA 1013, STA 2023, or STA 2122 (if one of these was used for State Core, complete an additional GEMA or GEST course)

ADVISING NOTE FOR ENT MAJORS: STA 2023 satisfies BOTH Mathematics State Core AND the ENT statistics common prerequisite. MAC 1105 or MGF 1130 satisfies BOTH Mathematics State Core AND the ENT math prerequisite.

Humanities (6-9 credits)

State Core (choose one): ARH 2000, HUM 1020, LIT 2000, MUL 2010, PHI 1010, THE 2000

University: 3-6 credits GEHM attribute.

Social Sciences (6-9 credits)

State Core (choose one): AMH 2010, AMH 2020, ANT 2000, ECO 2013 (ALSO satisfies ENT Economics prerequisite), POS 2041, PSY 2012

University: 3-6 credits GESO attribute.

ADVISING NOTE: ECO 2013 satisfies BOTH Social Sciences State Core AND the ENT economics prerequisite. ENT 2000 carries the GESO attribute and may satisfy the Social Sciences university requirement.

Natural Sciences (6-9 credits)

State Core (choose one): AST 2002C, BSC 1005, BSC 1010C, BSC 1085C, CHM 1020, CHM 1045, ESC 1000C, EVR 1001C, GLY 1010C, OCE 1001C, PHY 2020, PHY 2048, PHY 2053

University: 3-6 credits GENA or GENC; at least 1 credit must have a lab component (GENC or GENL).

6. UNIVERSITY-WIDE GRADUATION REQUIREMENTS

6A. Service-Learning Requirement

Source: <https://catalog.fgcu.edu/undergraduate-information/service-learning/>

Service-learning is a mandatory undergraduate graduation requirement at FGCU.

HOURS REQUIRED BY STUDENT TYPE:

- First-time-in-college (FTIC) or lower-level transfer: 80 hours
- Upper-level transfer: 40 hours
- FTIC who earned a Florida AA via dual enrollment prior to matriculating: 40 hours
- Student in FGCU ACE program: 80 hours

- Student completing a second bachelor's degree: 40 hours

RULES FOR QUALIFYING ACTIVITY:

- Must work with a non-profit, not-for-profit, or government agency.
- Student cannot be paid.
- Student must do more than observe.
- For-profit agencies do NOT qualify, even if unpaid.
- Hours must be submitted and verified electronically through the Eagle Service Network.
- Pre-approved agencies: <https://www.fgcu.edu/studentlife/servicelearning/>
- Non-listed agencies require prior approval from the Office of Service-Learning & Civic Engagement.
- Contact: servicelearning@fgcu.edu

TRACKING: Confirm hours are verified in Eagle Service Network AND appear in Degree Works.

6B. Civic Literacy Requirement

Source: <https://catalog.fgcu.edu/undergraduate-information/civic-literacy-competency/>

Legal Basis: Florida Board of Governors Regulation 8.006 and Florida Statute 1007.25

All undergraduate degree-seeking students must demonstrate competency in civic literacy before graduating. Requirements vary by cohort based on when the student first enrolled in a Florida public institution.

COHORT 4 (Initially Entering Fall 2024 or Later): Must complete BOTH a course AND an assessment.

COHORT 3 (Initially Entering Fall 2021 – Summer 2024): Must complete BOTH a course AND an assessment.

COHORT 2 (Initially Entering Fall 2018 – Summer 2021): Must complete a course OR an assessment.

COHORT 1 (Initially Entering Prior to Fall 2018): EXEMPT from requirement.

ACCEPTABLE OPTIONS (for Cohorts 2-4):

- AP Government and Politics: United States (score 3) — Course & Assessment
- AP United States History (score 4) — Course & Assessment
- AMHX010 Introductory Survey to 1877 (Fall 2024+) — Course, min. grade C
- AMHX020 Introductory Survey Since 1877 — Course, min. grade C
- AMSX010 Civil Discourse and American Political Order (Spring 2025+) — Course, min. grade C
- Cambridge AICE History, U.S. History, c. 1840-1990 (A-Level) — Course, grade A-E
- CLEP American Government (score 50) — Course & Assessment
- CLEP History of the U.S. I (score 50) — Course & Assessment
- CLEP History of the U.S. II (score 50) — Course
- Florida Civic Literacy Exam (FCLE) (score 60) — Assessment
- I.B. History: History of the Americas (score 5-7) — Course
- POSX041 American Government — Course, min. grade C
- (Cohorts 2 & 3 only) U.S. Naturalization Test - Civics (score 60) — Assessment

KEY NOTES:

- Students who passed FCLE in high school (2021-22 or later) are exempt from the postsecondary assessment.
- Transcript displays: Y (Fulfilled), N (Not Fulfilled), Z (Exempt).

6C. College-Level Skills (Writing Requirement)

Students must complete 12 semester hours of writing skills coursework (courses with GRWR or CLWS attribute) with a minimum grade of C.

ENT courses carrying CLWS attribute (each satisfies 3 of the 12 hours):

- ENT 3114 New Venture Laboratory (CLWS)
- ENT 3204 Scaling Ventures (CLWS)

Students should take ENC 1101 Composition I before attempting additional writing skills courses.

6D. Foreign Language Requirement

Students must satisfy the State of Florida foreign language admission requirement. Typically met through:

- Two years of the same foreign language in high school, OR
- A college-level foreign language course

FLAG: Confirm exact options with an academic advisor or current FGCU catalog, as the specific requirements page was not accessible during this scrape.

6E. Summer Enrollment Requirement

Students who enter FGCU with fewer than 60 semester hours of transfer credit must earn at least 9 semester hours prior to graduation by attending one or more summer terms. University may waive this in cases of unusual hardship.

6F. Residency Requirement

- At least 30 of the last 60 credit hours must be earned at FGCU.
- At least 25% of the total coursework required for the degree must be earned at FGCU.

7. FACILITIES & RESOURCES AT LUCAS HALL

Lucas Hall is the home of the Daveler & Kauanui School of Entrepreneurship — "The Epicenter of Entrepreneurial Excellence" at FGCU. All DKSOE programs, events, and resources are centered here.

FineMark National Bank Incubator Space (1st Floor)

Home to the Runway Program — a free business incubator open to students and alumni.

Features: expansive modern training space, mentorship rooms, large conference room, lounge area, and administrative offices. Participants work in Lean Startup methodology and can pitch for equity-free seed funding at end of semester.

State-of-the-Art Classrooms (2nd & 3rd Floors)

Large collaborative learning spaces equipped with modern technology and large whiteboards.

Rist Family Foundation Makerspace (Room 203, 2nd Floor)

Equipment: 3D printers, laser cutter (wood/acrylic), desktop CNC machines, embroidery machine, VR development kits, custom packaging/label production, poster & large-format printer. Designed for prototyping through to product branding and presentation.

Creative Innovation Studio

Hands-on collaborative space for prototyping, building, and testing entrepreneurial visions. Supports digital media, product design, immersive storytelling, and branding.

Advanced Computing Lab (3rd Floor)

High-performance workstations on the 3rd floor with the best campus view. Supports large-scale creative and technical projects.

Lucas Hall Media Lab (Room 308, 3rd Floor)

Fully adaptable professional creative space. Configurable for: Podcasting (sound-treated, pro microphones), Interviews, Photoshoots (adjustable backdrops/studio lights), Product Photography, and Pitch Presentations (AV support, display screens). Professional camera and audio recording equipment; cinema-quality AV capabilities.

Ain Technology and Design Hub

Student-run hub using digital marketing and AI solutions to help Southwest Florida businesses, nonprofits, and agencies grow in the digital space.

"THE NEST" Innovation Learning Hub

Collaborative space for student entrepreneurs at every stage — concept refinement, prototype development, or pre-launch. Provides guidance, mentorship, and additional support.

Other Programs & Opportunities at DKSOE

- CEO Club at FGCU: Student organization hosting workshops and speaker events.
- Azul's Innovation Challenge: Entrepreneurship competition.
- Sustainable Futures Challenge: Competition for sustainable ventures (over \$20,000 in

prizes; Shark Tank-style final pitch event).

- The Resnick-Wynn Family Business Conference: Annual conference.
- Veterans Florida Entrepreneurship Program: Support for veteran entrepreneurs.
- Changemaker Speaker Series ("Voices of Impact"): Regular speaker events with entrepreneurs at Lucas Hall.
- Runway Program: Free semester-long business incubator with mentorship and seed funding pitches.

8. FLAGS & INCOMPLETE ITEMS

Items that could not be fully confirmed from publicly available pages at time of scraping, or require verification:

FLAG 1 — Foreign Language Requirement Details

The specific FGCU page detailing how to satisfy the State of Florida foreign language admission requirement returned a 404 error. Advise students to confirm exact options with their academic advisor or check the current FGCU catalog directly at catalog.fgcu.edu.

FLAG 2 — Complete List of SCGR (Sustainability) Courses

Only ENT 3503 Social Entrepreneurship was confirmed as carrying the SCGR attribute within the ENT catalog. Many other FGCU courses across departments also carry SCGR. Students who want a non-ENT sustainability course should use the Course Schedule Search filtered by the "SCGR" course attribute.

FLAG 3 — ENT 4902 Runway Program Seminar Prerequisites

No formal prerequisite was listed in the catalog entry. Confirm with an advisor whether participation in the Runway Program through Lucas Hall is a practical co-requisite or whether advisor permission is required.

FLAG 4 — ENT 3503 Social Entrepreneurship Prerequisites

No formal prerequisite was listed in the catalog entry. The course may be accessible to non-ENT students relatively early. Confirm with an advisor.

FLAG 5 — SPC 2023 / SPC 1608 Course Descriptions

These public speaking courses are listed as required in the BS major but are not ENT-prefix courses. Their full catalog descriptions and prerequisites were not scraped. Direct students to the SPC section of catalog.fgcu.edu for full details.

FLAG 6 — MAN 3025 (Minor Foundation Option) Description

MAN 3025 Principles of Management is a foundation course option for the Entrepreneurship Minor but is a Management department course, not ENT. Its full catalog description and prerequisites were not scraped. Students should look up MAN 3025 at catalog.fgcu.edu.

FLAG 7 — Additional Electives for the BS

The BS program page notes "Additional Electives — as needed to reach total credits required for the degree." The catalog does not specify which courses qualify as additional electives beyond the major requirements and Gen Ed. Students need 120 total credits — after satisfying all requirements, remaining free elective hours can be any FGCU courses. Confirm with advisor for planning.

FLAG 8 — Degree Maps (PDF)

FGCU provides printable PDF degree maps for 2024-2025 and 2025-2026. These show the recommended semester-by-semester course sequence for the BS in Entrepreneurship.

Access these at:

<https://www.fgcu.edu/school-of-entrepreneurship/academics/entrepreneurship-bs> (look for "Degree Map" toggle section). The bot should direct students to these maps for detailed semester planning.

--- END OF KNOWLEDGE BASE ---
